

INVOCATION

Charles Fillmore

I AM now in the presence of pure Being, and immersed in the Holy Spirit of life, love, and wisdom.

I acknowledge Thy presence and power, O blessed Spirit; in Thy divine wisdom now erase my mortal limitations, and from Thy pure substance of love bring into manifestation my world, according to Thy perfect law.

PRAYER FOR ILLUMINATION

**I am in conscious contact with the Christ mind,
and I am divinely guided.**

Dear heart, prepare to consciously enter the realm of Spirit. Release your reliance upon sense and rely instead on the inspiration of Love and penetrate the fourth dimension.

Let go of thoughts of form and limitation and welcome the cleansing, purifying, and renewing flame of life. Abide here in thought and awaken to the presence of God.

Willingly surrender your concerns and sweet peace will prevail. Established in peace, all apparent obstacles and barriers to the good that is rightfully yours vanish and the path to fulfillment comes into view.

In this stillness that is the holy sanctuary of Divine Mind, lay hold of spiritual ideas and your attuned mind beholds the Truth that they contain. Each and every moment spent here in conscious communion with God weaves another golden thread into the fabric of your mind; becoming an essential and incorruptible part of the tapestry that is your evolving spiritual consciousness.

Centered in Truth, stand firmly and confidently upon its unwavering foundation and remember, "In the beginning God." Confidentially now, survey your path in the living light of Spirit and behold the riches that exist wherever you look and wherever you are. Lay hold in thought of the substance of that which you desire and form it in your mind into the image and likeness of the good you desire and prepare to receive.

In the light of Truth, keep the high watch. Maintain spiritual vision and behold yourself and your world as full of divine potential. See infinite possibilities everywhere and know that they are only awaiting upon your call to bring them forth into expression. **Thy will be done!**

PRAYER FOR HEALING

The same Spirit that raised Christ Jesus
from the dead dwells in me, and
I am restored to health and wholeness.

Despite any appearance to the contrary, know that you are Spirit; the child of the living God. In the silence, rest in the assurance that you are a being of Light and behold yourself as you divinely are--as God created you--as healthy and whole.

Rise now to recognize the Truth of your being as you surrender and release any thoughts of negation that bind you to an errant belief that you are in any way imperfect. Free from thoughts of illness and disease, death and dying; your body responds to your minds clear vision of your true self and is healed.

Continue now to be open and receptive to the good and pure directive of Spirit. Feel the gentle shower of love that right now washes away thoughts and ideas of weakness and decay and then sows seeds of wisdom in your mind that will grow in strength and understanding to reveal God's perfect idea of you and for you.

Bathed in love, you see yourself adorned with the grace of divinity. The glory and splendor that is meant to be yours is revealed throughout the now pristine recesses of your mind that have been made new by your spiritual baptism.

Cleansed of sick thoughts, the mind sends its message of Truth and wholeness to every cell and atom of your body and there is a response in kind. Your mind is the director and your body heeds its every thought. Think and speak words of Truth and your body will respond to them just as it has to your erroneous thoughts in the past.

The silence is the portal to a new life. Rest here my friend and feel the divine spark of Truth rekindled. Bask in the glow of its cleansing, purifying, healing, and ever loving light and know that all things are possible with God.

Let divine love fill and thrill you. Allow it to permeate every thought and feeling. Ascend to the mountaintop of spiritual understanding and know the Truth.

The Truth is that God is pure and only Good. The Truth is that God is Love. The Truth is that the same Spirit that raised Christ Jesus from the dead dwells in you. Claim your divine heritage as a child of God and be restored to health and wholeness!

PRAYER FOR PROSPERITY

I am conscious of the Spirit of plenty, and
all my needs are supplied.

Enter consciously into the place where divine law reigns supreme and all is in divine order. This place is always open to you and is at hand. Enter into the kingdom of Divine Mind and renew your mind. Restore to your remembrance the Truth that God is your infinite, always available, and ever accessible source of every good thing.

Do not negate your desires for they are your invitation to enter the Kingdom of God. Your desires are the call to a better life. Your desires are an indication of your innate understanding that you are meant to live life and to live it abundantly.

Growing as you are in the consciousness awareness of the abiding presence that is God, there stirs within you a new desire--a fervent desire to truly know God. In this awareness, your true identity is revealed and you begin to sense the approachability of God. With an understanding of God's Omnipresence comes an inkling of your oneness with God and you are called to new heights of hope, faith, and assurance that your good is forthcoming.

Know that God is the inexhaustible Source of all good. As you grow in spiritual understanding, you recognize your true relation to and with God. Soon you come to realize that the Divine Substance upon which you draw in order to bring forth whatsoever you require is never depleted. No matter how much you turn to God for your supply; no matter how much or how often anyone and everyone else draws upon Substance; it is in no way diminished.

Right here and now, open your mind and receive that which is needed to bring about prosperity in all of your affairs. In this place in consciousness, claim your Divine inheritance and your way is made clear. Here in conscious communion with God your right path is shown, your decisions are made known, you know what to say and when to say it, and you know what to do and when and where to do it.

Centered in Truth, speak the Word of abundance. Speak the Word with authority, and decree that your sincere desires are brought forth into expression and that peace, love, abundance, and understanding are established in your world and all of your affairs.
